

Fyling Hall School Instrumental or Vocal Tuition Interest Form

At Fyling Hall we are proud to have a range of fantastic instrumental and vocal peripatetic teachers who provide pupils across the Junior and Senior School with one to one (or some group) lessons on their chosen instrument or voice. We offer lessons in Piano, Vocals, Guitar, Ukulele, Drums, Woodwind (saxophone, flute, clarinet etc), Brass (trumpet, trombone, cornet etc), Strings (violin, viola, cello etc). If there are any other instruments your child is interested in, do get in touch and we will see what we can accommodate.

This form is to show your interest in learning an instrument, so that we can pass on your information to the correct peripatetic teachers. They will then get in contact with you detailing their personal costs, length of lesson and their terms and conditions, so that they are able to timetable you in.

I (parent/guardian) would like to highlight my child's (child's name and year group)

..... interest in having one to one instrumental /vocal lessons at Fyling Hall School. I understand that the lessons take place during school time each week and are an extra cost that will be invoiced directly from the peripatetic staff.

Age of child

Instrument / vocal choice

.....

Do you own this instrument: Yes / No

Previous musical experience – please give as much detail as possible (include any previous grades and ability level also)

General Terms and Conditions of lessons (each peripatetic staff member will also have their own in addition to the following):

- Missed lessons – any lesson missed by the student will be considered paid for unless agreed previously with the teacher. This is to avoid peripatetic staff members having their valuable time wasted.
- Lesson times – generally the lesson times change each week (to avoid missing the same subject), it is the child’s responsibility to remember to check the music board in the stack yard (Junior School pupils will be collected).
